USE 1 Future in Past

Future in the past is used to express the idea that in the past you thought something would happen in the future. It does not matter if you are correct or not. Future in the past follows the same basic rules as the [simple future](#). "Would" is used to volunteer or promise, and "was going to" is used to plan. Moreover, both forms can be used to make predictions about the future.

Examples:

- I told you he **was going to come** to the party. *plan*
- I knew Julie **would make** dinner. *voluntary action*
- Jane said Sam **was going to bring** his sister with him, but he came alone. *plan*
- I had a feeling that the vacation **was going to be** a disaster. *prediction*
- He promised he **would send** a postcard from Egypt. *promise*
