English – voorbereiding openboek HO – derivations p. 58

----

*Why do we add a suffix -en/-em to words?

  --> If we add -en/-em we cause something to happen.

  --> -em replaces -en if the original word starts with -p, -b or -pf

*Meaning of the derivations

  --> Enlarge = to make smth larger

     --> If you want to enlarge your vocabulary …

  --> Ensure = to make smth sure
